CORPORATE GIFT GUIDE

HENNERS

About Henners

Nestled in the village of Herstmonceux, East Sussex, just five miles from the coast, Henners captures the character of its coastal home in every bottle.

The sea breeze brings a natural freshness to our wines, reflecting the landscape that shapes them. As part of a global family of wineries with roots in France, Italy, South Africa and New Zealand, we blend international expertise with a distinctly English spirit.

Working closely with a network of growers across the South East, we bring together diverse terroirs and microclimates to create elegant, expressive still and sparkling wines - made to be shared, savoured, and remembered.

A close-up photograph of three Henners English sparkling wine bottles nestled in a light-colored wicker basket. The bottles are dark with black foil-wrapped necks and black labels. The labels feature the Henners crest and the text 'PRODUCT OF ENGLAND', 'HENNERS', 'VINTAGE', and the year. The basket's interior is lined with a blue and white plaid fabric. The lighting is soft, highlighting the textures of the glass, foil, and wicker.
